* per product group

MANUFACTURER CERTIFICATION COST

Either manufacturers can demonstrate compliance with SANE's requirements through other accepted certifications, in which case no additional audit is required, or manufacturers must be audited by a third-party certifier.

The type of audit required will be determined during the free pre-assessment.

The audit costs listed below are estimates and will be determine by the certifier.

■ MANUFACTURER SCOPE CERTIFICATE COST

No audit required *for units that can demonstrate compliance with all requirements*	150 €
Online audit *for manufacturing units missing a few proof of compliance*	~ 350 €
Partial audit on-site *for manufacturing units missing proof of compliance on more criteria*	~ 900 €
Full audit on-site *for small & medium plant without sufficient proof of compliance*	~ 1.500 €
2 days full audit on-site *for large plant without sufficient proof of compliance*	~ 2.000 €
