SANE

This Scope Certificate proves that the holder is authorized to produce SANE certified products. It doesn't mean that all goods produced in its facilities are automatically certified SANE.
This Certificate provides no proof that any goods delivered by its holder are SANE certified. Proof of certification of goods delivered is provided by a valid Transaction Certificate (TC) covering them. The issuing body may withdraw this certificate before it expires if the declared conformity is no longer guaranteed.

This electronically issued document is the valid original version.
